

PARISH NEWS Con't

- Votive light stands may be re-opened, subject to notices requiring appropriate distancing of two metres (six feet).
- Crying Rooms and Small Chapels/Devotional Areas may be used again as long as proper distancing is maintained.
- The preference continues that confessions should be heard outside of the Confessional to allow for proper distancing, cleaning and contact tracing (if it becomes necessary). Where Confessionals are used, both priest and confessor will be required to wear masks. Priests should employ double masking or the use of the N95 mask so as to further lower the risk of contamination.
- Collections may again be taken up using baskets in the traditional fashion. All Ushers involved in taking up collection should ensure that they wear masks while undertaking this task and use a collection basket with a long handle to maintain the two metres (six feet) distancing.
- Hand Sanitizing – It is no longer necessary for all entering a church to use hand sanitizer, though churches are encouraged to provide hand-sanitizers should people wish to use it. The priests and extraordinary ministers of Holy Communion should continue to use hand-sanitizers.
- Altar servers may be utilized again, as long as they maintain the two metres (six feet) distance between each other and the priest. Altar servers and the priest need to wear face masks when distance cannot be maintained. Altar servers from the same household do not need to maintain physical distancing.
- Deacons may return to their ministry at the altar while observing all relevant health precautions.
- Communion procedures are unchanged despite the lessening of restrictions in other areas. Both the person distributing communion and the communicant must be fully masked. Once the communicant receives the host, they are to move two metres (six feet) away, safely remove mask, consume host, replace mask, and then proceed back to the pew.
Holy Water fonts at the church doors are not reopened.

Saint Vincent de Paul Request

The Grafton conference of Saint Vincent de Paul continues to support the needy in our community with basic necessities of food and personal care products as well as gas cards and assistance with household bills as deemed appropriate. At this time, our cupboard has a shortage of the following items and we are asking for your help: peanut butter, cereal, canned meat, soup, syrup, coffee, hand soap and kleenex. Your generosity has always been forthcoming and we thank you in advance for your donations to our cupboard or for financial assistance to meet the needs of those we serve.

God's Blessings on all of you!

The Assembly of Catholic Bishops of Ontario has issued the updated, *Worship Safe* guideline. The revised guideline has been reviewed by the Pastoral Administration team. I am issuing the following updates which take effect immediately.

- Physical distancing of two metres (six feet) remains the requirement for attendance in church and parish facilities, including seating, however, groups of people from the same household may be seated together.
- Wearing a face mask remains required. Masks should be fitted properly to the face.
- Cleaning procedures for pews, washrooms, confessionals, reconciliation rooms are relaxed so as to require only regular cleaning in accordance with pre-Covid-19 routines, with the only exception being when someone with suspected or known Covid-19 has attended, in which case the space should be disinfected as per the pandemic manual requirements.
- Churches should be well ventilated when possible. This will vary according to the space but it should be treated with importance. Ventilation may involve opening windows and utilising fans to exhaust air from the sanctuary. Fan placement is important and will vary upon room configuration. Avoid placing fans in areas where they may impede access or cause contaminated air to flow from one person to another.
- Missals and prayer books may be replaced in pews.
- Hymn books will not be replaced as the earlier restrictions on singing continue.
- Bulletins, envelopes, pamphlets, and newspapers may again be distributed as per pre-COVID-19 practices.
