St Vincent de Paul

The Grafton Conference of the Society of Saint Vincent de Paul is celebrating 20 years of service to the local community and beyond through Outreach Services. Our conference received its date of aggregation in April of 2001 and we are proud to say that two of the founding members, Graham Stratford and Judy Goossens, are still with us. We want to thank them for their many years of service and their guidance in doing the work of our conference. Also, we must thank all who have served as conference members during these years, and you the parishioners who have supported us as we serve the needy in our community and beyond. This work would not have been possible without the dedication of our members and the contributions made by all of you.

We have also been blessed with strong Spiritual Advisors to provide direction and guidance.

Our hope was to have a reception of celebration ,but due to the uncertainty of Covid, this has been postponed.

Thank you for your past, and continuing support of the work we do.
